

**THINK OF FUEL ECONOMY  
THINK OF US**

**THERMOTECH - A LEADER IN PROCESS  
HEATING SOLUTION**

## ABOUT US

Thermotech Systems Ltd. is an internationally renowned eco-energy company hailing from India. With a firm and futuristic beginning in 1988 and a never-ending chase for engineering excellence, the company has established its rock solid foothold in fabricating cutting edge industrial heating equipments and systems for wide scope of industries.

Driven by high level of quality consciousness and quest for innovation, Thermotech is a frontrunner in manufacturing and export of full range of process heating equipments and turnkey solutions. It enjoys a position of high repute with its technologically advanced Thermic Fluid Heater, Hot Water Generator, Hot Air Generator, Water Bath Heater and Crude Oil Heater. Thermotech's products find application in variety of industries viz. chemicals, textiles, paint, oil & gas, rubber, auto, plywood, MDF, leather, solar, latex, etc.

## THE COMPANY

Thermotech is a dynamic company with an aim to ensure utmost satisfaction of its clients spread worldwide. The immense engineering expertise, wealth of experience, pool of technical talent and dedication to client's satisfaction has played a vital role in steering the company towards unmatched success and growth. Having its manufacturing facilities based in Gujarat, the company has vigorously spread its marketing network in India and abroad over time. While it houses marketing offices in Delhi, Mumbai, Chennai, Bangalore, Hyderabad, Coimbatore, Kolkata, Indore, etc. in India; it has established tie-ups with channel partners in countries like Turkey, UAE, Srilanka, Africa and Bangladesh.

The commitment to manufacture best-in-class standardized as well as customized product solutions, backed with prompt and efficient post-sale support, has won more than 2000 high profile clients to the company. Thermotech has forged lasting relations with all its clients by striving for constant technology upgradation to deliver its promise of highly advanced quality equipments. As a result, Thermotech's products are well received among its huge client base and they boast of high rate of preference in the international market. Today, Thermotech's products are exported in more than 12 countries including Srilanka, Bangladesh, Nepal, Kenya, Nigeria, UAE, Saudi Arabia, Turkey, New Zealand, Iraq, Russia, Ukraine etc.

Some of the many highly esteemed and reputed clients of Thermotech across the globe include HLL, Reliance, IFFCO, Birla, Adani Group, Reckitt-Benckiser, Emami, VVF, Greenply, Hayley's Group, Finlays, Ansell, DNO, Shell, etc.

## VISION

Rise as the harbinger of revolutionary process heating solutions engineered with in-depth research and state-of-the-art technology such that the world gets exclusive range of products that are ahead of its time.

## MISSION

Pursue success through sheer persistence, by all means, to deliver highest order of quality possible each time, every time.

## THE PRODUCTS

Thermotech, an eco-energy company is one of the few companies in the world that offers integrated solution in energy & ecosystem management. Thermotech is a solution provider for complete process heating systems & its ancillaries.

THE GREEN MOVEMENT TOWARDS THE BETTER WORLD

## THERMOTECH'S WIDE RANGE OF HEATING SOLUTION ENVELOPE

### Thermic Fluid Heater

Oil / Gas fired - up to 15 M Kcal/hr

### Thermic Fluid Heater

Solid fuel fired - up to 15 M Kcal/hr

### Hot Water Generator

Oil / Gas fired - up to 15 M Kcal/hr

### Hot Water Generator

Solid fuel fired - up to 15 M Kcal/hr

### Hot Air Generator (Direct)

Solid fuel fired - up to 8 M Kcal/hr

### Hot Air Generator (Indirect)

Solid fuel fired - up to 8 M Kcal/hr

### Crude Oil Heater

Oil / Gas fired - up to 3 M Kcal/hr

### Water Bath heater

Oil / Gas fired - up to 2 M Kcal/hr

### Gasifiers

RDF, Coal, Agrowaste - up to 10 M Kcal/hr

For Above Systems

**OIL / GAS / SOLID FUEL**

- Chemical
- Plywood  
(MDF, Particle Board, Laminates)
- Latex
- Textile & Technical Textile
- Paint
- Food & Beverage
- Rubber
- Pharma
- Leather & Vinyl
- Paper
- Auto Mobile
- Solar Heating System
- Oil & Gas Processing
- Printing & Lamination

## MAJOR ACHIEVEMENTS & CREDENTIALS

We have commissioned more than 2000 units across major Countries.

We had commissioned 10 M Kcal/hr Thermic Heater in 2008 – fully automatic Coal Fired in Turkey, which is First of its kind to be manufactured by any Indian Company.

We had Successfully Commissioned 11 M Kcal/hr Hot Water Generator (High Temperature) – fully automatic Biomass Fired in Srilanka.

3 Nos. 6.0 M Kcal/hr Crude Oil fired Heating System for DNO – Iraq project.

2 Nos. 10.0 M Kcal/hr High Temperature Thermic Fluid Heater in VVF Limited.

8 Nos. 5.0 M Kcal/hr High Temperature Hot Air Generator in IFFCO – Gujarat.

Thermotech has tie-up with consultants for detail engineering of specialized projects, pipeline engineering & major structural work of complete system.
